Coached TRAINING FOR ADVANCED RUNNERS OF SCSM

Generic training plans for advanced runners of 10k, half marathon, and marathon.

INTRODUCTION

Introduction

Thanks for downloading this training programme to help you prepare for Standard Chartered Singapore Marathon. We have put this plan together to progressively prepare you for the demands of the event.

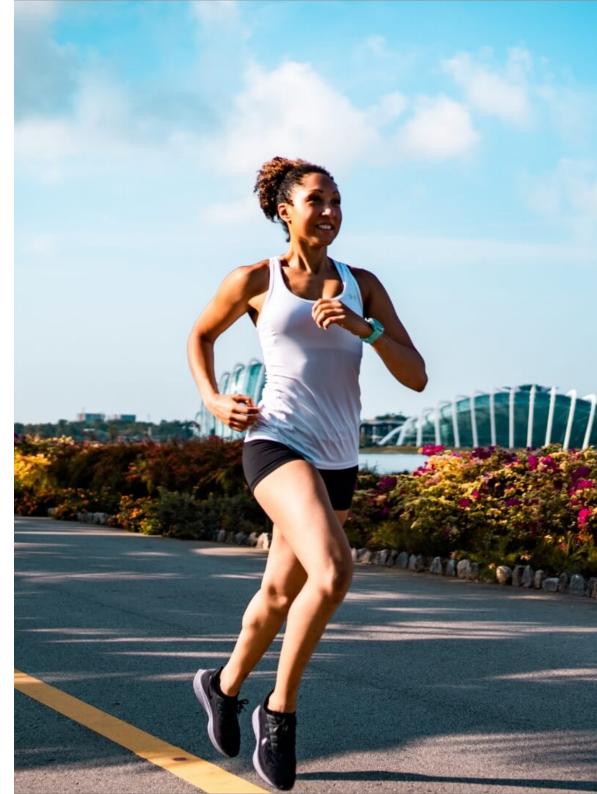

Please note that this is a generic training programme. We don't know your background, current fitness level, schedule, or anything else about you. As such, this is a basic guide.

About Coached. The Official Coaching Partner

Coached is a personalised training programme that helps you optimise, track, and enjoy your training.

If you're interested in more personal, detailed, and supported training, we encourage you to **sign up for a 14-day free trial of our online run coaching**.

During your trial, we'll set up a personalised training plan for SCSM, set training zones for heart rate and pace, and arrange a 15-minute Video Call to meet and discuss your training plan.
